Special troop type rules

Korean/Chinese horses	Movement 24"	Evade 12+2d6"
<p>Horse archers, and other missile armed horsemen may evade if charged. They may make a free 180 degree turn away from the chargers, if they pass a morale test for being charged successfully. Than move as straight as possible away from them.</p> <p>At the end of the evade move, the group may make another free turn to face the chargers, and may shoot, but not move, in their own next movement phase.</p>
